Although the tax bills have not-yet been mailed, we are accepting completed applications. Applications must-be filed with the Assessor's Office by April 1, 2021.

Please remember that your income figures (Gross Receipts) in section "C" (Social Security, Pension, etc.) should be for the **Calendar Year 2019 (January to December)**.

1. Please provide a copy of your 2019 Federal Tax Return *or* a signed affidavit that you did not file a return.
2. For retirements benefits from Social Security, provide the statement you received from SS that shows the total figure of SS income received for the 2019.
3. For any other pensions and retirement allowances, wages, salaries and/or other income bring in a statement(s) that shows the total received for the year 2019. For interest and/or dividend, income and any other receipts such as rent, capital gains, etc., statements or receipts, must be sent in for verification of such income.

Value of "All Property Owned" in section "D" (real estate, bank accounts, stocks, bonds, certificates of deposit, etc) pertains to the balance or value of these accounts **closest to, but not later than July 1, 2020**. Please bring in documentation to verify all assets.
